

WEST Lothian GOLF CLUB JUNIOR AND JUVENILE MEMBER RULES, RESTRICTIONS AND GUIDANCE

Behaviour:

You and your parents/caregivers should read, understand and follow the Codes of Conduct.

Playing golf:

Juniors and juveniles have full playing rights when they are accompanied by an adult member.

The Junior 5 Hole Primary Course is for juniors (under 12s) accompanied by their parents/caregivers or supervised by West Lothian Golf Club officials only.

You must tee off Airngath (18 hole course) during the week by 4.30pm.

You can tee off Airngath (18 hole course) at weekends from 3pm.

Always report to the pro-shop and start play at the 1st hole on Airngath (18 hole course).

Avoid slow play. Play ready golf and keep up with the game in front. Wave players through and stand aside if you are holding them up or have not managed to keep up with the game in front.

Play off blue, red or yellow tees. In competitions you can play off white tees.

Rake bunkers, replace divots and repair any pitch-marks you make on the greens.

Safety and wellbeing:

Please ensure only the person teeing off is on the tee. Stand clear to avoid any accidents.

Shout FORE if you hit stray or wild shots and think they may hit other golfers. When shouting FORE don't be afraid to shout as loud as you can! You should never get into trouble for this.

If any adults you don't know try to speak with you on or around the course they should always introduce themselves. If they do not introduce themselves then you should politely ask them to. If they refuse then you should ask them to speak with the Junior Convenor or a member of Caimin's Team. Stay calm and be polite, even if they are not. If you are ever worried or scared on the golf course you should phone someone, or come off the course, to report it. We will deal with these situations.

Dress code:

There is no formal dress code for junior and juvenile golf at West Lothian Golf Club. We do however insist on appropriate golfing footwear for comfort, to reduce risk of any injuries and

protect the course. Appropriate golfing footwear is considered to be light training/running shoes or golf shoes.
