

Save Up For 2011

Why not start saving for your golf fees for 2011 by using your **Member Swipe Card.**

By adding a few pounds to your balance over this season you could reap the benefits when your renewal is due in January 2011.

To take advantage of the service simply top up at the bar and allow your balance to grow then, once your fees are due, transfer the amount you wish to pay towards your fees.

If you require more details please contact the Office.

Alan Gibson.
